MettleUp — demo guide

Gym desk website: **app.mettleup.fit** (laptop or phone) · Member app: **MettleUp** on Android. Arrows (→) show what to tap, in order.

Before the client arrives

- ☐ Desk: sign in at app.mettleup.fit and open `Today`.
- ☐ Phone: open MettleUp. On a fresh phone, tap `Load demo data instead` on the welcome screen so charts and records are full.
- ☐ Print the gym QR poster: `Visits → Check-in QR → Print poster`.

Demo order (about 20 minutes)

1. **The owner's morning.** `Today`: money owed, renewals due, members who stopped coming, new members, busy hours.
2. **Plans ending soon.** Tap a tile, e.g. `Ending in 1-3 days` → `WhatsApp all`. One tap per member, the message is already written.
3. **A walk-in enquiry.** `Today → New enquiry` → save → later `Add as member`.
4. **Join and pay.** `Today → New member` → `Take photo` → `Sell membership` → `Collect payment` → receipt → `Send on WhatsApp`.
5. **Member card.** On the member's page → `Member card` → `Print` or `Send on WhatsApp`.
6. **Member joins the app.** Desk: `Settings → Member app → Send link on WhatsApp`. Phone: `Gym → Join your gym` → code → `Next`.
7. **Check in with the poster.** Phone: `Gym → Check in` → scan. Desk: `Visits` shows the visit.
8. **Log a workout.** Phone: `Workout → Start empty workout → Add exercise → Add set`. Show the rest timer and the "kg to beat" target → `Finish workout` → `Picture` to share.
9. **Progress.** Phone: `Progress` → `Records`, `Charts`, `Body`, `Reports`.
10. **Gym sends a plan.** Desk: member → `Workout plans → Send a plan`. Phone: it appears on the `Workout` tab, marked "From ‹gym›".
11. **Keep members coming.** Desk: `Challenges → New challenge`. Phone: `Gym → Leaderboard`.
12. **The money picture.** Desk: `Money` and `Expenses` (Collected, Expenses, Profit) → `Download Excel file`.
13. **Moving from Excel or another app.** Desk: `Members → Import from Excel → Choose file`. AI matches the columns by itself.
14. **Make it theirs.** Desk: `Branding → Upload logo → Colour → Save`. The member app shows the gym's logo.

Points to say

- The desk works on a laptop or a phone, and keeps working when the internet drops.
- Each staff member gets their own sign-in code and PIN.
- Members get a full workout app for free, with the gym's name on it. That is why they keep coming back.

Top 20 for the gym (desk website)

	FEATURE	WHERE TO FIND IT
1	**Members and plans** Add a member, sell a plan.	`Members → + Add member → then on the member: Sell membership → Plan → Confirm`
2	**Payments and receipts** Collect, print or WhatsApp a receipt.	`Member → Collect payment → Save payment · Receipt: Member → Payments → receipt number → Print / Send on WhatsApp`
3	**Dues** Everyone who owes money, in one list.	`Money → Dues → Collect · or Today → Collect dues`
4	**GST on receipts** CGST and SGST lines print by themselves.	`Settings → Gym details → GSTIN (optional) → Save details`
5	**Today screen** The 5 numbers an owner needs each morning.	`Today → Your numbers`
6	**Plans ending soon** Tiles for today, 1-3, 4-7 and 8-15 days.	`Today → Ending in 1-3 days (or 4-7, 8-15)`
7	**Renewals on WhatsApp** Ready-written message, one tap each.	`Ending tile → WhatsApp all · or Today → Messages to send → Remind them`
8	**Automatic reminders** Set once; reminders go out by themselves.	`Messages & offers → Reminders → Automatic reminders → Save changes`
9	**Members losing the habit** Who stopped coming, before they leave.	`Visits → Losing the habit · or Today → Losing the habit → See all`
10	**Attendance and QR check-in** Members scan a poster; no machine needed.	`Visits → Register → Check someone in · Poster: Visits → Check-in QR → Print poster`
11	**Enquiries** Walk-ins and calls, with follow-up dates.	`Enquiries → + Add enquiry → Save enquiry → Add as member / Follow-up date`
12	**Messages and offers** Ready messages for news, offers and events.	`Messages & offers → Messages → Pick a message`
13	**Expenses and profit** Collected, Expenses and Profit for each month.	`Expenses → + Add expense`
14	**Excel downloads** Receipts, dues, growth, or all gym data.	`Money → Collections → Receipts → Download Excel file · Settings → Your data → Download all your gym's data`
15	**Staff sign-ins and PIN** Each person gets a sign-in code, as Staff or Owner.	`Settings → Staff & sign-in → Add a person → What can they do? → Make sign-in code`
16	**Personal training plans** Count PT classes; renew when used up.	`Plans → + Add plan → PT plan → Save plan · Member → Mark session / Renew PT`
17	**Member ID card** With photo; print or WhatsApp it.	`Member → Member card → Print / Send on WhatsApp`
18	**Import from Excel, with AI** AI matches the columns; no retyping.	`Members → Import from Excel → Choose file`
19	**Workout and diet plans** Send a plan straight to the member's phone.	`Workout plans → + New plan · Member → Workout plans → Send a plan · Member → Diet plan → Send a diet plan`
20	**Gym branding and challenges** Their logo in the app; a 30-day leaderboard.	`Branding → Upload logo → Colour → Save · Challenges → New challenge`

Also live: desk photo (Member → Take photo) · body measurements (Member → Body measurements) · gym timings (Gym timings → Every week) · gym shop (Shop → Turn on the shop) · more than one branch (Settings → Branches).
Coming in the next app update: members ask to pause or renew from the app, and the gym can ask for a member's workout report.

Top 20 for the member (MettleUp app)

Tabs at the bottom: Workout, Progress, Gym, Profile. Settings: the gear at the top of Profile.

	FEATURE	WHERE TO FIND IT
1	**Join the gym** With a code, a link or the poster.	`Gym → Join your gym → code → Next · or Scan the poster`
2	**Log a workout** Sets, kg and reps in a few taps.	`Workout → Start empty workout → Add exercise → Add set → Finish workout`
3	**Rest timer** Starts by itself; sound when rest is over.	`In a workout: … on an exercise → Rest timer · Settings → Workouts → Rest timer and sounds`
4	**Target to beat** Shows the kg to beat on every exercise.	`On each exercise in a workout: the "Target" line`
